

What's new with your local Chamber?

Name Change Journey Continues

In May, our Board Members pitched in to beautify the facade of our building with our new brand colors! Our new DBA name, The Falls Chamber of Commerce, has been filed with the state of New Hampshire. Stay tuned for more updates.

Next steps include: updating the website and social media sites, changing the name with our bank, getting our new sign up and so on!

Seacoast Food Truck & Craft Beer Festival

A big thank you to all of the volunteers that have assisted us in preparing for this festival! And, thank you to those who have signed up to volunteer the day-of! In particular, a shout out to the Chairs of the Food Truck Committee for all of their hard work:

Caroline Pope, Somersworth Storage - Marketing Chair
Paul Robidas, American Ambulance - Logistics Chair
Gary Nadeau, North Berwick Hannaford - Volunteer Chair

Platinum Gourmet Sponsor Booth: Service Credit Union's booth at the festival (located near old BP station) will be giving away free t-shirts and an ATM will be available! Thank you Service Credit Union for your incredible support.

Welcome James!

A new, friendly face will greet you at the Chamber office on Fridays - we are extremely pleased to welcome James Bellissimo to our Chamber staff.

You may know James from his role as Community Development & Planning Technician for the town of Berwick, Maine. James is also the energetic Chair of Envision Berwick, a Community Development organization that has helped to form a town-wide vision, working towards cleaning up a Brownfield site and transforming the 11-acre parcel into a thriving downtown and Village Center. James will be assisting Lindsey Gagnon, Marketing & Events Manager, with many projects including outreach to our five communities.
